*International Women's Day (8/3)*

***My Love is your Love! Always stand by you!***

*Thai Nguyen, March 8<sup>th</sup> 2010*

*Phuong, I don't know the way to express you my love to you! You're here, do you know? Yes, you're here, you're everywhere in this room, you're fully in my mind, in my soul... I can't answer the question "when did I love you". Phuong, why you come to me so suddenly as that? You have changed everything in my life. You're the sun, your light has shined my blue life and warmed this cool heart. Do you know this heart hasn't belonged to me now, you have possessed it, yes yourself! Its hard and cold appearance has fallen into you totally. Don't ask me what happen before you. I can't answer the question, I can't know what I tell you to you know you're only in me from the past to now and forever. You have give me love and tell me what love is. "I LOVE YOU", that's realest sentence I've said. I wanna bring happiness to you! No! I have to bring everything that's the most wonderful to you, I will do everything for you... because I wanna see the smiles on your lips. Phuong ah, Believe in me, in our true love. Look into my eyes you will see what in they, you will see my truth. I'm always stand by you, I'm always your steady stay. Cry if you want but cry on my shoulder. Don't hide me what you are, show me everything belongs to your life. You can compel me to do something, you can reprimand me... but don't compel me to have to leave you! I can't do. We will be side by side, will you? I LOVE YOU!*

*I don't wish you anything on international women's day! I only wanna repeat the sentence "I LOVE YOU, ILOVE YOU, ILOVE YOU FOREVER!"*

*- LOVE -*

**1. Love to be loved by you (By Marc Terrenzi)**

*I can't believe I'm standing here  
Been waiting for so many years and  
Today I found the queen to reign my heart.  
You changed my life so patiently  
And turned it into something good and real  
I feel just like I felt in all my dreams.  
There are questions hard to answer, can't you see...*

*Baby, tell me how can I tell you My Computer.Ink  
That I love you more than life?  
Show me how can I show you  
That I'm blinded by your light.  
When you touch me, I can touch you  
To find out the dream is true.  
I love to be loved by you.*

*You're looking kinda scared right now,  
You're waiting for the wedding vows.  
But I don't know if my tongue's able to talk  
Your beauty is just blinding me,  
Like sunbeams on a summer stream  
And I gotta close my eyes to protect me.  
Can you take my hand and lead me from here please?*

*Yeah,yeah*

*Baby, tell me how can I tell you  
That I love you more than life?  
Show me how can I show you  
That I'm blinded by your light.  
When you touch me I can touch you  
To find out the dream is true.  
I love to be loved-  
I need to be loved -  
I love to be loved by you.*

*I know they're gonna say  
Our love's not strong enough to last forever.  
And I know they're gonna say that we'll give up  
Because of heavy weather.  
But how can they understand  
That our love is just heaven-sent,  
We keep on going on and on  
Cause this is where we both belong.*

*Baby, tell me how can I tell you  
That I love you more than life?  
Show me how can I show you  
That I'm blinded by your light.  
When you touch me I can touch you  
To find out the dream is true  
I love to be loved -  
I need, yes I need to be loved -  
I love to be loved by you.  
Yes, I love to be loved by you.*

**2. Cry on my shoulder (by Deutschland Sucht Den Superstar)**

*If the hero never comes to you  
If you need someone you're feeling blue  
If you're away from love and you're alone  
If you call your friends and nobody's home  
You can run away but you can't hide  
Through a storm and through a lonely night  
Then I show you there's destiny  
The best things in life  
They're free*

*But if you wanna cry  
Cry on my shoulder  
If you need someone who cares for you  
If you're feeling sad your heart gets colder  
Yes I show you what real love can do*

*If your sky is grey oh let me know  
There's a place in heaven where we'll go  
If heaven is a million years away  
Oh just call me and I make your day  
When the nights are getting cold and blue  
When the days are getting hard for you  
I will always stay here by your side  
I promise you I'll never hide*

**3. *Pretty boy ( by M2M )***

*I lie awake at night  
See things in black and white  
I've only got you inside my mind  
You know you have made me blind*

*I lie awake and pray  
That you will look my way  
I have all this longing in my heart  
I knew it right from the start*

*Oh my pretty pretty boy I love you  
Like I never ever loved no one before you  
Pretty pretty boy of mine  
Just tell me you love me too  
Oh my pretty pretty boy  
I need you  
Oh my pretty pretty boy I do  
Let me inside  
Make me stay right beside you*

*I used to write your name  
And put it in a frame  
And sometime I think I hear you call  
Right from my bedroom wall*

*You stay a little while*

*And touch me with your smile  
And what can I say to make you mine  
To reach out for you in time*

*Oh my pretty pretty boy I love you  
Like I never ever loved no one before you  
Pretty pretty boy of mine  
Just tell me you love me too  
Oh my pretty pretty boy

Let me inside  
Make me stay right beside you*

*{BRIDGE}  
Oh pretty boy  
Say you love me too*

**4. *The day you went away ( by M2M)***

Call me crazy call me blind  
To still be suffering is stupid after all of this time*

*Did I lose my love to someone better  
And does she love you like I do  
I do you know I really really do*

*Well hey so much I need to say  
Been lonely since the day  
The day you went away  
So sad but true  
For me there's only you  
Been lonely since the day  
The day you went away*

*Oh whoa .... yeah... oh...ooh...*

*I remember date and time  
September twenty-second Sunday twenty-five after nine  
In the doorway with your case  
No longer shouting at each other  
There were tears on our faces*

*And we were letting go of something special  
Something we'll never have again  
I know, I guess I really really know*

*Well hey so much I need to say  
Been lonely since the day  
The day you went away  
So sad but true  
For me there's only you  
Been crying since the day  
The day you went away  
The day you went away

Been crying since the day  
The day you went away*

*Why do we never know what we've got till it's gone  
How could I carry on  
The day you went away

There's an image of your face  
And once again I come I'll realise  
You're a loss I can't replace*

*Soledad  
It's a keeping for the lonely  
Since the day that you were gone

And your memory lives on  
Why did you leave me  
Soledad*

*Walking down the streets of Nothingville  
Where our love was young and free  
I can't believe just what an empty place  
It has come to be  
I would give my life away  
If it could only be the same  
Cause I conceal the voice inside of me  
That is calling out your name*

*Soledad  
It's a keeping for the lonely  
Since the day that you were gone  
Why did you leave me

Why did you leave me  
Soledad*

*Time will never change the things you told me  
After all we're meant to be love will bring us back to you and me  
If only you could see*

**7. *Only love (by West Life)***

*2 a.m. and the rain is falling  
Here we are at the crossroads once again  
You're telling me you're so confused  
You can't make up your mind  
Is this meant to be  
You're asking me*

*But only love can say - try again or walk away  
But I believe for you and me  
The sun will shine one day  
So I'll just play my part  
And pray you'll have a change of heart  
But I can't make you see it through  
That's something only love can do*

*In your arms as the dawn is breaking  
Face to face and a thousand miles apart  
I've tried my best to make you see  
There's hope beyond the pain  
If we give enough, if we learn to trust*

*But only love can say - try again or walk away  
But I believe for you and me  
The sun will shine one day  
So I'll just play my part*

*And pray you'll have a change of heart  
But I can't make you see it through  
That's something only love can do*

*I know if I could find the words  
To touch you deep inside  
You'd give our dream just one more chance  
Don't let this be our good-bye*

*But only love can say - try again or walk away  
But I believe for you and me  
The sun will shine one day  
So I'll just play my part  
And pray you'll have a change of heart  
But I can't make you see it through  
That's something only love can do*

*Am I asking for too much?  
Am I leaving for too long?

Won't you take a look at me now?*

*\* No matter how hard I try  
I can't get you off my mind*

**10. Queen of my heart ( by West Life)**

*So here we stand  
In our secret place  
Where the sound of the crowd  
Is so far away  
You take my hand  
And it feels like home  
We both understand  
It's where we belong*

*So how do I say  
Do I say goodbye  
We both have our dreams  
We both wanna fly  
So let's take tonight  
To carry us through  
The lonely times*

*I'll always look back  
As I walk away  
This memory will last for eternity*

*And all of our tears  
Will be lost in the rain  
When I find my way back  
To your arms again  
But until that day  
You know you are  
The queen of my heart*

*So let's take tonight  
And never let go  
While dancing we'll kiss  
Like there's no tomorrow  
As the stars sparkle down  
Like a diamond ring  
I'll treasure this moment  
Till we meet again*

*But no matter how far (no matter how far)  
Or where you may be (where you may be)  
I just close my eyes (just close my eyes)  
And you're in my dreams  
And there you will be  
Until we meet*

*I'll always look back  
As I walk away  
This memory will last for eternity  
And all off our tears  
Will be lost in the rain  
When I find my way back  
To your arms again  
But until that day  
You know you are  
The queen of my heart*

*I'll always look back  
As I walk away*

*This memory will last for eternity  
And all off our tears  
Will be lost in the rain  
When I find my way back  
To your arms again  
But until that day  
You know you are  
The queen of my heart*

*Oh yeah  
You're the queen of my heart (queen of my heart)  
No matter how many years it takes (queen of my heart)  
I'll do it all to you

### **13. A time for us (by Pancake)**

*A time for us some day there'll be  
When chains are torn by courage born  
Of a love that's free  
A time when dreams so long denied  
Can flourish as we unveil  
The love we now must hide*

*A time for us at last to see  
A life worthwhile for you and me  
And with our love  
Through tears and thorns  
We will endure as we pass  
Surely through every storm*

*A time for us someday there'll be  
A new world  
A world of shining hope  
For you and me...*

*A time for us at last to see  
A life worthwhile for you and me  
And with our love  
Through tears and thorns  
We will endure as we pass  
Surely through every storm*

*A time for us someday there'll be  
A new world*

*A world of shining hope  
For you and me...*

**14. Show me the meaning of being lonely ( by Backstreet boys)**

*So many words for the broken heart  
It's hard to see in a crimson love  
So hard to breathe  
Walk with me, and maybe  
Nights of light so soon become  
Wild and free I could feel the sun  
Your every wish will be done  
They tell me...*

*Show me the meaning of being lonely  
Is this the feeling I need to walk with  
Tell me why I can't be there where you are  
There's something missing in my heart*

*Life goes on as it never ends  
Eyes of stone observe the trends  
They never say forever gaze  
Guilty roads to an endless love  
There's no control  
Are you with me now  
Your every wish will be done  
They tell me*

*Show me the meaning of being lonely  
Is this the feeling I need to walk with  
Tell me why I can't be there where you are  
There's something missing in my heart*

*There's nowhere to run  
I have no place to go  
Surrender my heart, body and soul  
How can it be you're asking me to feel the things you never show*

*You are missing in my heart*

*Tell me why I can't be there where you are*

*Show me the meaning of being lonely*

*Is this the feeling I need to walk with*

*Tell me why I can't be there where you are*

*There's something missing in my heart*

And every time that I was down  
You would always come around  
And get my feet back on  
The ground*

When all the birds are singing in  
The sky  
Now that the spring is in the air  
With the flowers everywhere
